

# LARS TANNIRU

## PROFILE

A dedicated and driven athlete, Lars Tanniru has demonstrated exceptional skill and determination in alpine ski racing. At just 13 years old, he has showcased his talent through two state championships and many competitive racing events. Attending Killington Mountain School, he receives specialized training that hones his technical abilities and racing strategy. With a clear vision for his future, Lars continues to elevate his performance, aiming to join the ranks of the US Ski Team and possibly compete on an international level with the Indian Ski Team. His commitment to excellence is evident in every race, and he approaches each challenge with the poise and focus of a seasoned athlete.
